**Trabuco Hills HS Boys Lacrosse
Parent/Coach Interaction Policy 2021/22**

PLAYING TIME

There is no guarantee of playing time. It is the sole discretion of the coaching staff to determine which team your son will play on and how much playing time they will receive.

PARENT/COACH MEETINGS

Parent/coach meetings can be scheduled via email. All parent/coach meetings need to be scheduled through the head coach via the email listed below. If your meeting request is with a JV coach, a prior meeting with the head coach may be requested.

POST GAME MEETINGS

No impromptu meetings will be excepted upon the completion of a game. The parent/guardian of the student athlete must wait 24 hours before scheduling a meeting. This allows both the parent/guardian and coach a cooling period to gain perspective before discussing any thoughts or concern.
